

ROCK RIVER VALLEY

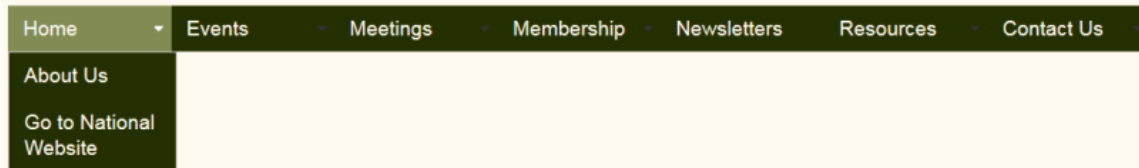

Wild Ones Rock River Valley Chapter Website

www.wildonesrrvc.org

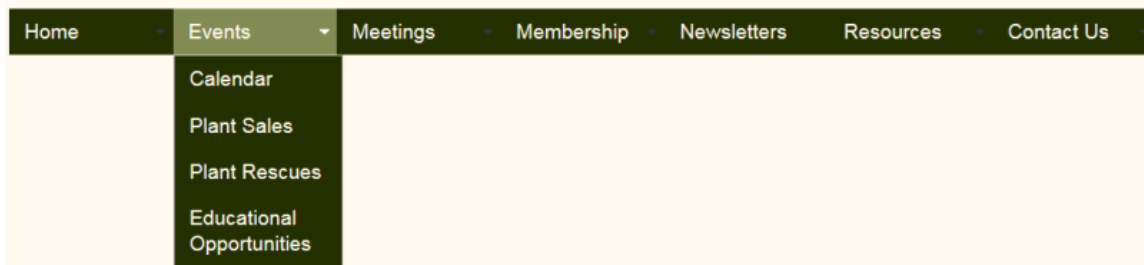

Please visit our chapter website for timely and valuable information about our chapter, including events, chapter contacts, useful links about native plants and the many resources the chapter has available for you. Below is the home page for our chapter website.

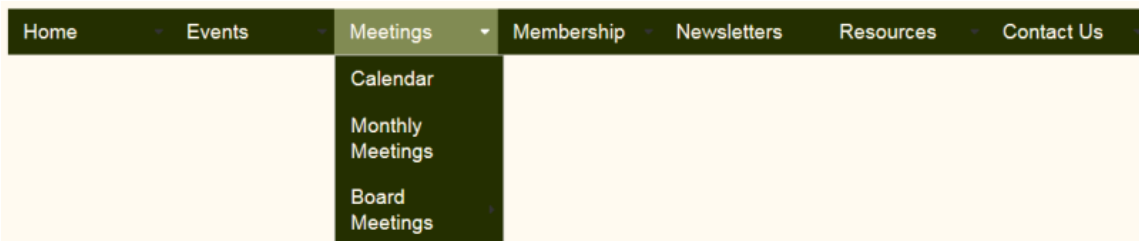

The first tab has a drop down menu for information about the chapter and national Wild Ones.

The **Events** tab has a drop down menu for our Calendar, Plant Sales, Plant Rescues and Educational Opportunities provided by various organizations. The Calendar page has a detailed list of the year's events. Plant sales are held three times a year, woodland plants, prairie plants and trees and shrubs. This page includes links to downloadable PDF files for the plant sale brochures. Last year's brochures are available for reference.

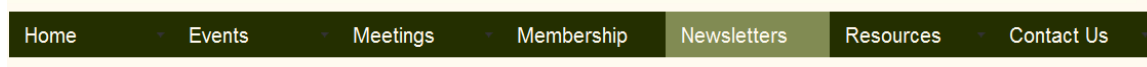

The **Meetings** tab also has clickable menus for Monthly Meetings and Board Meetings.

The **Membership** tab takes you a menu of items of interest to members.

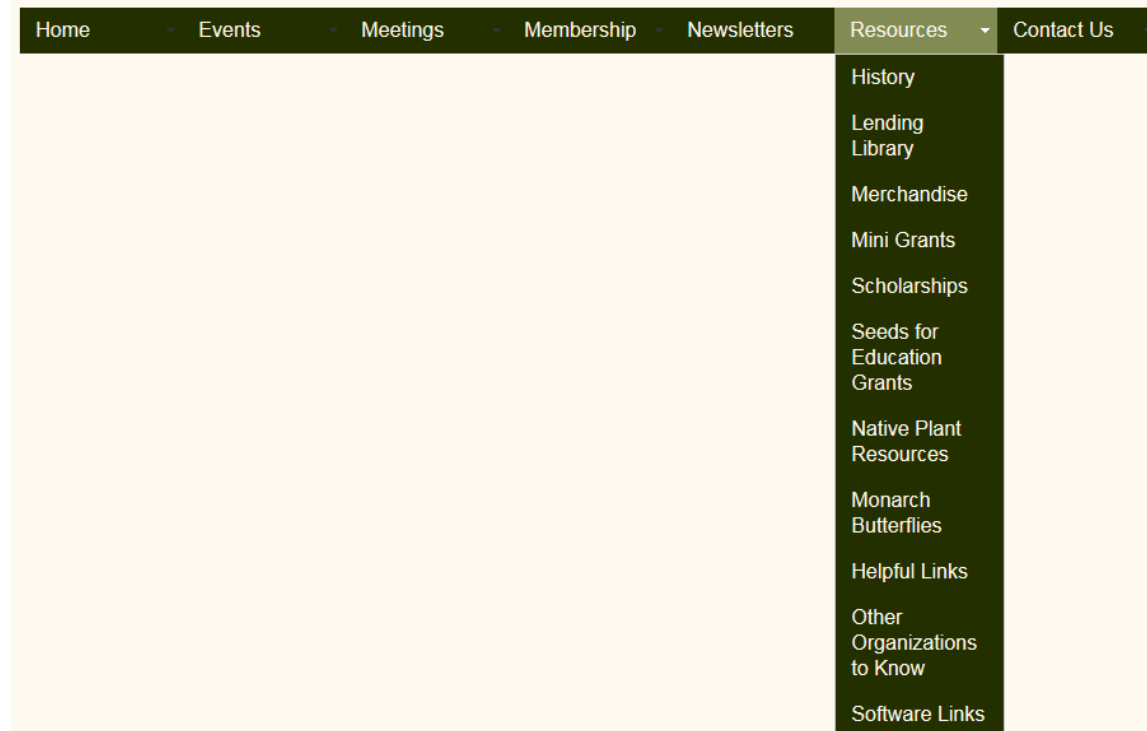

The **Newsletters** tab takes you to a page that has links to the newsletters in PDF format for 2009 to the present. As a member with an email address, you are sent a monthly email with a link to the current issue, which is posted the week before the printed issue is mailed.

The **Resources** menu contains valuable and timely information:

- | | |
|-----------------------------|---|
| History- | A complete list of the Board of Directors since 1994. |
| Lending Library- | Information about our members only library, available at meetings. |
| Merchandise- | Merchandise of interest available at meetings. |
| Mini Grants- | How to apply for a chapter grant for your native plant project. |
| Scholarships- | How to apply for a scholarship for training about native plants. |
| Seeds for Education Grants- | How to apply for a grant from national Wild Ones for a native plant project. |
| Native Plant Resources- | Lists of native plants for specific areas and where to purchase. |
| Helpful Links- | Web resources for native plants and monarch butterflies. |
| Other Organizations- | Links to like-minded organizations. |
| Software Links- | Links to software downloads to help you communicate with other members and to help keep your computer safe and easier to use. |

The **Contact Us** menu includes a Directory of all the Board of Directors, Chairs and Coordinators with clickable links to send them an email with your questions.
